A Message from the Rector

March 2016

Adopt an Attitude of Gratitude!

One Sunday at church during the announcements, a 94 year old parishioner, Shirley Foley stood up and thanked the congregation. She was grateful to the church members who had called during her recent illness. She thanked those who left flowers and food at her door and everyone who had been praying for her.

Another parishioner, Mylee recently celebrated her eighth birthday. Mylee was at Sunday School during the birthday blessing at the service, so her mother received the blessing for her. When she was finally present, at the end of the Eucharist, the congregation sang "Happy Birthday" to Mylee!

Afterward, during our fellowship time, one parishioner exclaimed that we should all be like little children, spontaneously enjoying life as it happens.

When I adopt an attitude of gratitude, I am more appreciative of my life. When I hike and stop to take a look around, I see the beauty of God's creation and I am spiritually recharged. When I thank someone, I am promoting my happiness and theirs. Adopting an attitude of gratitude is a simple way to positively change the point of view of others.

As we journey through Lent, to appreciate our many blessings as a community of Christians, we must acquire an attitude of gratitude. Only then can we spread the message of Christ's love.

Stewardship

Offering your Time, Talent and Treasure are different ways to provide Stewardship. Financial assistance with an annual pledge is the typical means of supporting the church. While annual pledges are essential and welcome, there are other ways one may contribute. Your time and talents are valuable! Get involved! Participating in church activities strengthens the community of the Church of the Transfiguration!

The Bell Tower Legacy Society is another way, with estate planning, that you can continue to sustain and support Transfiguration. Endowing our church with your gift will assure it's future ministries.
